## CONSENT

**VIBRO-LASER ®** is committed to ensure the privacy of all its users. This Privacy Policy applies to all pages of the **VIBRO-LASER ® Website**, including the websites of other filials of **VIBRO-LASER ®**, related organizations, or third party sites. **VIBRO-LASER ® Website** may link to these third-party sites, which may have their own privacy policy.

By using the **VIBRO-LASER ® Website**, you agree to the terms of this Privacy Policy. **VIBRO-LASER ®** terms may change from time to time. When this happens, you can communicate with a note on our website so that you can be informed. Each time you use our website, the current terms of the Privacy Policy will apply according to the changes made at all times.

## WHAT KIND OF INFORMATION DO WE COLLECT?

**VIBRO-LASER®** gets contact information only through its **Contact Forms** (like [contact](#)), and by **IP Tracking** that's registered on the page. The information obtained is only what the user wishes to provide. You can access most of the pages without revealing your identity or any personal details. Our servers store log files anonymous during visits made by users or users to our website. This information is used to create aggregate statistics, for example, when accessing the site, the pages which refer the client to the site, the type of browser used by our visitors and our web pages they visit. These statistics help us see the use the website and provide us with valuable information for improvement.

We do not collect information that identifies the person who visits the website **VIBRO-LASER ®** (such as your name, address, phone number or email address) unless the user chooses to provide, for example, expressing interest in getting a quote or registering to any of our services.

For these services (e.g. *Contact Forms, E-Mail Subscriptions etc.*), we collect personal information such as<sup>1</sup>:

- Name and Last Name
- Email and/or Phone Numbers (local/mobile)
- Region and/or Country of residence
- Company, Organization or Workplace
- Preferences and Interests

(1) Some or All of these data may be collected depending on the service.

## HOW WE USE INFORMATION COLLECTED?

Your personal information will be retained by **VIBRO-LASER**® and its service providers in a secure environment, a confidential treatment will be given to all obtained data and it will be used only for those purposes for which it was provided to.

For example, the data provided to obtain a quote will be used only for that purpose. But additionally, your personal information may be used with marketing purposes such as: mailing campaigns, products and services offerings, invitations, discounts, product updates, etc.

In case you receive these kind of information and you do not find it useful or just don't want receive it, please take a minute and email us at [info@vibro-laser.com](mailto:info@vibro-laser.com) with the subject "Remove my Email" and indicating the email address you want to remove.

## USE OF "COOKIES"

A "cookie" is a text-only information that a website transfers to your computer's hard disk so that the website can remember who you are. A cookie will normally contain the name of the Internet domain from which you entered, the expiry date of the cookie, and a value, usually a randomly generated unique number.

**VIBRO-LASER**® **Website** uses some cookies and collects IP addresses (an IP address is a number that identifies a specific computer or other network device on the internet) exclusively for statistical and security purposes.

**VIBRO-LASER®** Analysis Software uses the information of your IP address to improve your user experience. This information is not used to create a personal profile of the user and log files are removed periodically.
